

2018 HEALTH FORM INSTRUCTIONS

Greetings from Health Services at The Putney School!

Student safety and wellbeing are our top priorities. To that end, health forms must be submitted for **all** Summer Programs students, new and returning. We ask you to complete all health forms with detail, accuracy and honesty. Please submit forms as soon as possible. Our ability to care for your child is compromised if you delay.

Parents/guardians, please complete and return the following:

- Emergency Information & Permission to Treat
- Student Health Insurance Coverage (Int'l students without a policy are required to purchase the school policy)
- Student Health History
- Authorization to Administer Medication (parent/guardian and student)
- Concussion Action Plan (parent/guardian and student)

Parents/guardians, please have physicians complete exam form and immunization record. Other forms if appropriate:

- Physical Examination (can be an exam within the past 12 months) – **MUST INCLUDE IMMUNIZATION RECORD**
- Prescription Medication Instructions (if student takes any prescription medications)
- Mental Health Report (by provider if mental health care in the past 4 years)

After completion, please scan copies to summer@putneyschool.org, fax to 802.387.6228, or mail hardcopies to:

The Putney School Summer Arts
418 Houghton Brook Rd
Putney, VT 05346

Our team looks forward to being a part of your child's time at Putney, whether in sickness or in health. Thank you for providing us the information to make that possible! If you have any questions, feel free to contact me at mogden@putneyschool.org or 802.387.6221.

Maria Ogden, RN
Health Services Coordinator
